HABITAT SARTORIAL

Thank you for considering Habitat Sartorial for your apparel project. We present this guide to help you choose the right piece and quantity for your budget. Our apparel comes in three levels of quality:

Discount	Classic	Sartorial
The budget option - designed to be worn a few times, then donated. Perfect for one-time events.	The standard option - will hold up for a few years of consistent wear. Excellent work shirts or company apparel.	Our best option - the same blanks we use for our product lines. These will maintain their superior softness, weight, and color for years to come.

Happy with the price you see? To begin the process, contact us with the following information:

1. Piece, quality level, color, and quantity (ex. shortsleeve tee, classic, black, 45)
2. Design image and placement (across chest, back of shirt, etc.)

We'll send you a quote within 24 hours, and deliver the apparel to you within three weeks of the order date. **It's that easy!**
Note that your quoted price will differ slightly from the price in this guide, depending on your project's specific design factors - it's usually a bit cheaper.

Remember - we're a charity. That's what makes us different. At the end of the project, **we'll set aside any of our profit to be donated to the Indianapolis charity of your choice, on your behalf.** We're looking forward to creating your apparel!
